A Message from outgoing President, Jason Swanson

"Thank you to all the people who believed in me enough to put me in the driver's seat. I've had a great ride! Thank you to all the club members who helped me be me – spent time mentoring me, teaching me not only lathe techniques, but also demo techniques and teaching techniques. A special thanks to Chris and Dena Kraemer for hosting this great club – they've hosted our club since it's inception and hopefully will continue for many years to come. Thanks to all the members who put in many hours making this club as successful as it's been."
