

To all MAWT members,

When the COVID pandemic started back in March, the Board made the decision not to hold In-Person Meetings at Woodcraft until the end of the year.

As 2021 approaches, the Board will re-evaluate that decision and consider having limited In-Person meetings starting in March of 2021 since we already have remote Zoom demonstrations scheduled for January and February. March may be the first meeting the club will be holding at the Woodcraft. More information will be sent as that time approaches.

Of course, we will have to follow any limitations required by Woodcraft and governmental guidelines.

Even when In-Person meetings begin, MAWT will continue to **broadcast all of the meetings by Zoom**. With the updated video equipment, we will be able to host meetings at Woodcraft and also live-stream them.

It will be great to get back to some normalcy and this will allow members to once again meet each other and also provide the option to watch the demos safely from your home.

Sincerely,

Milwaukee Area Woodturners Board of Directors
