

MAWT Covid Policy Letter – February 2021

To all MAWT members,

Due to the Covid pandemic, the Milwaukee Area Woodturners club has not had any in-person meetings since March of 2020. The MAWT Board of Directors has based this on expert health recommendations, the latest science but most importantly, for the well-being and safety of our members.

The Board has reviewed that decision again and still feel that in-person meetings are not appropriate at the Woodcraft meeting area at this time. When conditions improve and the vaccinations become more widespread this spring and summer, the Board will reassess the situation and hope that members will finally be able to attend in-person meetings and share the camaraderie and friendship of the club.

Of course, we will follow any limitations required by Woodcraft, governmental guidelines and determined by the Board. Even when in-person meetings begin, MAWT will continue to **broadcast all of the meetings by Zoom**. It will be great to get back to some normalcy and watch demos whether they be in-person or from the safety from your home.

Sincerely,
Milwaukee Area Woodturners Board of Directors
